description:

Detached villa in one of the best areas between Gines- Espartinas. We find 2300m of plot, with swimming pool, covered porch for 3 cars, several auxiliary constructions and a house built on pillars which gives us a basement almost of the same meters of housing. We have 3 rooms (2 of them with bathroom), shared bathroom, kitchen with office, living room with fireplace and a glassed-in porch. Do not let it escape!
